

NurseTim® Webinars

Success Plan for Nursing Faculty

Life-long learning is about taking your practice as an educator to the next level. The following success plan is designed to cover topics important to faculty and academic leaders. The NurseTim® Webinars are available 24/7 through your current subscription. Use webinars to start building a professional development portfolio or create a customized professional development plan for your faculty. Please contact us for any assistance with a Success Plan or for other strategies to meet your professional development needs.
